MICROBLADING / FEATHER BROWS

This form of Cosmetic Tattooing is semi permanent and can last anywhere from 10 - 18 months.

At your first appointment, the brow artist will discuss with you your desired outcome in terms of shape and colour.

Using specific points on your face, we design your new brows and outline them on the skin.

The brows are stroked in the pattern of your natural hair growth to make them look as natural as possible. Pigment is used and then set into the strokes.

A follow up touch up appointment is to be booked for 4-6 weeks time. The touch up appointment is necessary to further define the initial strokes and to get the longest lasting brows.

Initial appointment \$500

Touch up appointment \$250

Second touch up (within 2 months) \$150

Maintenance touch up (within 12 months) \$300

OMBRE BROWS

This form of cosmetic tattooing is semi-permanent and can last anywhere from 14 - 24 months.

This technique is suited for people who have oily skin as the pigment will hold better as hair stroke techniques lines can blur as they heal.

This method is for those who are looking for a full makeup/powder finish on the brows as the pigment is implanted into the skin using a shading technique. Using specific points on your face, we design your new brows and outline them on the skin.

Initial appointment \$550

Touch up appointment (10 weeks) \$300

Maintenance touch up (within 18 months) \$350

COMBO BROWS

Combo brows is the mixture of the two brow techniques, adding hair strokes where needed and ending the tail of the brow with a nice powdered look finish.

The touch up of another artists work will need a consult and price to be assigned.

Initial appointment \$600

Touch up appointment \$350

Maintenance touch up (within 12 months) \$400

LIP BLUSH TATTOOING *lip blush or lipstick look*

A Lip Blush Tattoo is a natural lip tattoo, in a semi permanent makeup form. It enhances the natural colour and beauty of the lips whilst improving shape and giving definition and gives the illusion of fuller lips.

Initial appointment \$600

MICRODERMABRASION

This diamond microdermabrasion facial deeply exfoliates the skin whilst simultaneously stimulating blood flow to increase circulation and brighten the complexion. Other benefits include plumping of the skin to improve the appearance of fine lines and wrinkles and even out skin texture.

40min Express Microdermabrasion	\$110
60min Deluxe Microdermabrasion	\$150

ULTIMATE CONTOURING & FIRING FACIAL

The Esthemax Contouring Mask is vital when treating skin concerns holistically. Working from the inside out, the Contouring Mask creates a tightening effect on the skin.

This constrictive function stimulates internal skin processes such as reverse osmosis.

Reverse osmosis is responsible for supplying blood cells, filled with oxygen and essential nutrients to the upper layers of the skin while also promoting beneficial excess fluid drainage, and clearing any blockages within the circulatory system.

ANTI-AGEING HOLISTIC FACIAL

This intense, gel-based treatment is formulated in two parts and is only available to approved spas and salons.

60mins

\$140

Complete with a high concentration of Vitamin C and E, this exclusive treatment will brighten and rejuvenate the skin while helping to reduce the visible signs of ageing. Infused with Green Tea Powder to boost antioxidant properties, Age Vita-renewal will help to neutralise the effects of free radicals and lessen the impact of environmental damage.

Giving skin of all ages a more youthful radiance.

BIO-HYDRA MOISTURE INFUSION

A transformative, hydrating wood-pulp fibre mask infused with Hyaluronic Acid and a unique formula of plant extracts to replenish thirsty skin.

50mins

\$130

This moisture-locking treatment will also soothe, plump and illuminate the complexion. Perfect for combating dehydrated skin and delivering noticeable results quickly.

MULTI-DETOX CLAY TREATMENT

The high potency multi-clay mask is formulated to promote cell renewal, improve epidermal texture and detoxify the skin.

50mins

\$130

Blended with Kaolin and Bentonite, this treatment is activated in the treatment room, delivering ingredients deep into the dermis in their freshest state.

This salon-exclusive will help restore moisture, smoothing away fine lines resulting in a visibly brighter, healthier, firmer complexion.

AHA REJUVENATE PEEL

With a potent blend of active ingredients, this gel-based treatment provides intense support for cellular regeneration.

30mins

45mins

\$110

Used as a standalone treatment or supplementary to an organic spa facial, this formulation combines botanical-based AHA's and enzymes with Aloe Vera and Olive Leaf Extract to soothe and calm the skin without compromising its potency.

This bio-active peel is suitable for most skin types to help improve elasticity and refine and rejuvenate the skin without the use of synthetic chemicals.

SKIN NEEDLING

Using Skinpen medical grade device which is designed to break up scar tissue that is associated with acne or pox scars. Encourages new tissue growth and stimulates collagen. This treatment is also effective in helping improve the appearance of fine lines and wrinkles. Also affective to treat hyper pigmentation, melasma & vitiligo.

Apply numbing cream at home prior to the treatment. Recommended in a course of treatments.

RADIATE & RENEW

The bio-active AHA peel in this treatment will rejuvenate the skin thanks to a potent blend of vitamins and antioxidants.

70mins

\$145

Combined with a Gua Sha stone massage, this salon treatment will lift and tone the skin while increasing blood circulation. Since Gua Sha has a strong detoxification effect on the skin, it will visibly enhance the treatment resulting in a younger-looking, more radiant complexion.

RENEW & RESURFACE

The Lactic+ enzyme compound combines pure lactic powder with enzyme-rich and potent, dehydrated organic fruit powders.

50mins

\$130

This complimentary blend delivers a powerful boost to our existing AHA rejuvenate peel and was curated with a more mature skin in mind. As it is applied to the skin, the lactic+ enzyme formulation will help increase cell turnover and smooth and resurface the skin while improving hydration levels.

ANTI-WRINKLE

Prices are a guide only. Everyone's muscles are different and individual dosing will be discussed at your consultation.

Anti-wrinkle injections are a quick, non-invasive, non-surgical and effective way to help reduce the appearance of fine lines and wrinkles. A few tiny injections relax the muscles which form these lines helping minimise existing wrinkles but also preventing deeper lines becoming permanent.

DERMAL FILLER

Prices are a guide only. Filler types for specific areas vary to achieve best results for a certain individual and this will be tailored to suit.

Dermal filler is a smooth injectable gel which is made from hyaluronic acid (HA) which is a natural substance already found within the skin.

HA helps the skin retain moisture and deliver nutrients whilst helping to smooth out lines, add or replace volume where there is volume loss or to contour or enhance particular features in the face.

PDO THREADS

Prices are a guide only. Each individual may require different amount of threads depending on what they are trying to achieve.

PDO threads are the latest anti-ageing technique which stimulates collagen to restore volume, minimise fine lines and wrinkles, tightens and firms the skin and enhances skin texture.

PDO threads are made up of polydioxanone which is a material that sutures are made up of. The threads are placed under the skin where they dissolve over time stimulating collagen and elastin production to achieve a complete anti-ageing effect.

Treatment results are seen in 8-12 weeks.
